

Ron White

WORLD MEMORY EXPERT & SALES TRAINER

Ron has spoken on memory skills all over the world including Malaysia, Singapore, Belgium, Puerto Rico, Canada, Thailand, Afghanistan and even Nebraska.

Ron is considered to be the world's foremost memory expert and trainer. He has memorized the names of 200 people in 15 minutes even more times than he can remember. Audiences have long marveled at his ability to memorize a 60 digit number in less than 90 seconds or memorize a deck of shuffled cards in a flash. Every audience Ron shares his talk with leaves laughing, amazed and empowered that they can do the same thing!

He has delivered tailored workshops for General Motors, Microsoft, Toyota, Honda, American Airlines, Cisco Systems, Boy Scouts of America, Lexus, Coldwell Banker, Pfizer, Century 21 and thousands more around the world.

Ron has appeared on over 200 radio programs, FOX television, newspapers and magazines all over the world. In August of 2003, Ron was the guest on the British television program, Simply the Best in which he demonstrated how anyone could train their mind to think more effectively. In July of 2005, he appeared on CBS television's Great Day San Antonio and The Trinity Broadcasting Network. In January 2006, was a guest on the Discovery Channel's Dr. Know series discussing memory myths.

Ron is the author of 2 books and over a dozen personal development audio programs including his best selling Memory in a Month 6 CD album sold around the world every day. Ron promises to memorize a 40 digit number live for your group that the group creates and he never sees and then teach them memory skills to do the same and catapult their business!!

He is also a proud member of the US Navy currently serving as a reservist and returned December 2007 from serving a tour in Afghanistan.
